Subject: Internship Offer Letter for Web Development

Dear Mr. NIRMAL ANAND A,

We are pleased to offer you an internship opportunity with **FrontierWox Tech Private Limited** in the domain of **Web Development Intern**. This internship reflects our recognition of your academic potential and interest in enhancing your practical skills in real-time projects.

The details of your internship are as follows:

- **Internship Title:** Web Development Intern
- **Start Date:** 04/05/2026
- **End Date:** 06/06/2026
- **Internship Location:** On-Site
- **Working Hours:** Full-Time (8 + 1 Hours)

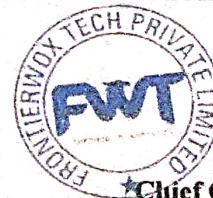

During the internship period, you will be assigned tasks and responsibilities that align with your academic background and learning goals. You are expected to maintain professionalism, timely communication, and meet deadlines as required by the team.

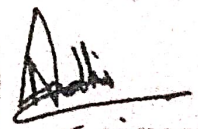

Please note that this is an unpaid internship and does not constitute an offer of employment upon its completion.

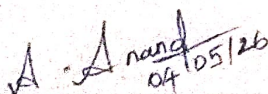

However, on successful completion, you will be provided with an Internship Completion Certificate and performance feedback from your mentor.

Kindly confirm your acceptance of this offer by replying to this letter by signing and returning a scanned copy. We look forward to having you on board and wish you a successful learning experience with us.
